Type of comment: Object to the proposal

Comment: I object to the developers publishing and distributing a document that purports to be a newspaper, "Mortlake Messenger". People have a right to expect unbiased journalism from a newspaper and that is very far from what this rag contains. It gives a completely one sided view of the proposals. It attempts to generate support by offering a chance to win an Annual Cinema Pass to the proposed cinema. It attempts to facilitate support for the scheme, while not even mentioning the possibility that you might want to object. None of this is of course illegal but it does attempt to deceive. I would not support anything proposed by this document.
