### Comments

**Type of comment:** Object to the proposal

**Comment:** I object to the proposed plans because.

1. Design- the proposed structure is too tall and will overlook the nearby houses and will affect privacy. It is not in keeping with other properties.

#### 2. Traffic/access

Holly Road is already a very busy and very narrow road. It cannot cope with any more residents and cars. I see this as a risk to the many children who live nearby as it is already tricky crossing the roads with so many cars. We can rarely park outside our house as it is and are regularly forced to park in other roads - with 2 small children this is not practical. The pollution from all of the extra traffic will also be detrimental to young children.

#### 3.local Infrastructure

The amount of residents will have a detrimental affect on Schools, health care.

There is already a lack of childcare options nearby and I have struggled to find adequate childcare because of facilities being oversubscribed. This will only get worse with the addition of so many more residents.
