### Comments

**Type of comment:** Object to the proposal

**Comment:** As before we feel the development breaches what is acceptable for height - 3 stories is too high. 100 new homes for this size of area is too many and will heavily compromise local amenities , have a negative impact on parking for all residents, will increase traffic flow through an already over exhausted road system. Also the idea that there will be commercial premises is a strange one in the current climate - Hampton hill already has redundant empty commercial buildings that are unlikely ti fill- why add more? There are no nhs doctors or dentist places available and the schools are on waiting lists. This area needs to be utilised for something that will benefit the local community.
