Comment: As a resident of Hampton Hill I am very concerned about the impact of this development in terms of:

- Traffic (in an area where there is already standstill traffic at peak times everyday)
- Environmental - emissions during build and post build. Including noise.
- Effects on local parking, there is already a lack of parking in the area.
- Height of the proposed dwellings will directly affect local residents by blocking sunlight and reducing privacy.
- Local services such as doctors and dentists which are already oversubscribed.
