Comments

Type of comment: Object to the proposal

Comment: The roads in the immediate vicinity are small with all most all parking on the road:

This proposal is not in keeping with the area there are no buildings at the same height, it is not in keeping' with other properties it will dwarf the other houses in the area. It seems to be a huge over development of the site.

The access into Windmill road will dramatically increase traffic in Windmill Road and the surrounding area.

The High street and adjacent roads are already heavily congested especially at school times with a number of infant and primary schools in the area. The area can not cope with more traffic and parking.
