### Comments

**Type of comment:** Object to the proposal

**Comment:** This proposal is not in keeping with the character and feel of Hampton Hill.

The height of the development will restrict light to other properties and overlook many which will impact on privacy.

Windmill Rd is already busy with cars and larger vehicles regularly jammed and mounting the pavement to be able to pass.

Holly road has similar problems with the added concern of more traffic crossing the rail bridge which has no visibility. The additional traffic during construction and then from the 100 homes and commercial space will increase traffic and possibly cause safety issues as well as creating even more parking issues in the surrounding roads.

The volume of homes plus the size of the commercial space will cause impacts to local schools, other services and infrastructure.
