### Comments

**Type of comment:** Object to the proposal

**Comment:** This is an over development of an area already struggling with infrastructure provision.

A 3-5 story development would severely negatively impact the area.

This is highly unwanted by residents in large numbers.

The only permission that should be provided for this location should be for rebuild or refurbishment that does not change the size or use of site, the area simply cannot cope with growth that size.

I also believe whats being asked for is notnm within wider rules for development in the area.
