Comment: This development is far too big for Hampton Hill. Windmill Road will end up being a main road, I live in Wolsey Road and it is already difficult get on to Windmill Road due to the already excessive traffic since the closure of Burtons Road. This is also dangerous for the community and the 2 primary schools children.

This will also impact the whole of Hampton Hill which used to be a quiet, quaint little village and now is turning into a built up over populated area. We do not need over 100 modern properties ruining the street scape and an increase in cars.
