Comments

Type of comment: Object to the proposal

Comment: This scheme is out of character with the surrounding largely Victorian housing stock with its overbearing height and density. There is inadequate parking provision and this means that residents and their visitors will have to park on Holly Road and no doubt School Road Avenue, where we already have extremely limited residential parking available. Given our location of 1 mile in either direction between Hampton and Fulwell stations it is highly likely residents will have more than average car ownership. Holly Road through to Windmill Road is already used as a rat run during peak hours. This will be increased by this scheme. This is detrimental to the children of Hampton Hill junior school.
