**Type of comment:** Object to the proposal

**Comment:** This scheme is too dense, too tall with a completely inadequate parking provision, given the densely populated area it borders and the narrow Victorian streets. With 1 mile to the nearest station residence are likely to own cars. With Hampton Hill Junior School nearby, the surrounding roads are already impossible to manoeuvre in during peak hours of drop-off and pick up. Even in the daytime the roads are frequently blocked by deliveries of goods and building materials. We urge the council to reject the scheme to preserve Hampton Hill's village like charm and save the sanity of its residents.
