### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposal is far too big for the village.

There are not enough parking spaces planned for the proposal , this will just worsen the parking situation in the area.

There will be an increase in traffic which is already chaotic.

There is no plan to improve the services such as GP, schools , nurseries , and transport links which are already limited and oversubscribed .

The new proposal will not bring any benefit to the area and it's residents.
