Type of comment: Object to the proposal

Comment: I strongly object to this proposal on a number of grounds. The proposed development is not in keeping with the predominantly Victorian terraces one the surrounding area.

The five story block is too high and will dominate the skyline. The privacy and security of many residents in Holly Road will be negatively impacted by the height of the block and the many windows overlooking the houses, which are currently not overlooked at all.

I welcome the development of the site, but the proposals should reflect the area in which they are being built, with 2 story housing being the ideal.
