### Comments

**Type of comment:** Object to the proposal

**Comment:** I strongly oppose the new building at St Clares for the following reasons.

1. The area is crowded already.
2. Since the parks management closed the Bushy Park drive through Hampton Hill has suffered with standstill traffic and pollution.
3. A large building 3-5 levels high plus basement will impact the above problems.
4. The proposed building will impact hugely on the neighbourhood visually, environmentally and stress the already oversubscribed school and doctor surgeries.
5. This planning application has been refused and this is a redraft. With minimal changes to reach requirement standards.
