**Comment:** Why is the Richmond Council not fully supporting this application that creates a local school with an incredible reputation? What is the matter with them? I have cycled for 25 years of my life in London & I look forward to this September 2024 (How many years is the Council going to delay the application??) Cycling my child Scarlett Ludvik-Bovill to her new school. You are ruining my daughter's opportunity to go to a lovely local school this September by delaying this planning and forcing her to go to another school miles away by car!! The Council must support this application and support the local community for all (not just the few!)
