Comment: Dear Sirs

In the spirit of providing our young ones, who are our future, with space and school facilities they desperately need, I appeal to your sense of moral values by asking you to speed up the process of approval of this School development Application.

There seem to be unnecessary delays and heel dragging in getting this Application approved.

This is not a for profit development but is a development to move children of the Richmond area out of an overcrowded school into a modern facility, opening spaces to meet growing demands for education, by an ever-increasing local population.

You should encourage this development by helping rather than hinder its progress.

May I therefore request you address this approval as a matter of priority!

Thank you,

Aleks
