## DETAILED REASONS

---

### **U0159162 Reason for Refusal - Design**

The proposed replacement windows, by reason of the siting and design would result in an unsympathetic and incongruous form of development to the detriment of the setting, character and appearance of the row of dwellinghouses and fails to preserve or enhance the setting, character and appearance of the surrounding area. As such the scheme fails to address the aims and objectives of the NPPF and in particular, policies LP1 of the Local Plan (2018), policies C1 and C3 of the Ham and Petersham Neighbourhood Plan as well as, the Supplementary Planning Document 'House Extensions and External Alterations' and 'Ham and Petersham Village Planning Guidance'.

- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.
