### Comments

**Type of comment:** Object to the proposal

**Comment:** I wish to object to the revised proposal for the exact same reasons as my previous objections.

Nothing has really changed - no part of the development should be over two stories in the middle of Hampton Hill. It's not in keeping with the small Victorian village vibe.

No doubt this massive over development will go ahead anyway just like the flats in School Road did after everyone objected. The surrounding properties privacy will be invaded yet again. Hampton Hill seems to be rapidly going down Hill!
