Comments

Type of comment: Object to the proposal

Comment: Traffic generation with more residents and possible visitors.

Loss of trees and a microhabitat/ nature conservation- there are 2 beautiful old chestnut trees that will definitely have to be trimmed down and it will affect the health of tree - resulting in having to cut down.

Noise and disturbance during the building period and possibly after.

Proposal of the development plan that has been shown initially to different neighbours is different to what is shown here.
