Comment: Object wholeheartedly Having seen the plans the building will be higher than adjacent properties and balconies totally out of keeping with surrounding properties Why don't the plans include measurements?There will be loss of privacy due to balconies as they overlook flats in Roseleigh Close There are no balconies in Cambridge Park Court or Roseleigh Close so building doesn't blend in. The plot has been vacant for many years and attracts wildlife including badgers The loss of this space to them and us will be a sad loss to me and the area. Three new properties on this location will greatly destroy the peace and quiet Cambridge Park is known for the clue is in the name The building noise and disturbance this will cause cannot be stressed enough to people living nearby and around Losing this rural space will be sad loss forever and a reminder we are slowly allowing material gain to destroy natures habitates
