Comment: Having moved to Roseleigh Close in the mid 1980's, this quiet corner of Twickenham has been my home for a long time. There have been numerous applications for development of this plot and each time the Council has seen fit to deny the development. If you look back in the Council records you will see my strong objections to each proposal in the past and my views have not changed.

I strongly object to the development of this plot as it will lead to lead to a loss of privacy, decline in visual amenity, loss of nature conservation, and overdevelopment with uncharacteristic design and appearance on this small Close.
