### Comments

**Type of comment:** Object to the proposal

**Comment:** I would like to object to this proposal for numerous reasons.

- Design/appearance:

The plan shows a lack of consideration for the current aesthetics of the area, and the building would stand out unpleasantly amongst the rest of the estate.

- Loss of trees and wildlife:

Badgers, hedgehogs, bats, and numerous other species would have their habitat destroyed, and the mature Horse Chestnut trees would be in danger.

- Loss of privacy to other residents

- Parking and traffic generation

- Previous applications for this site have all been refused by the council

In conclusion, the Cambridge Park area would lose its wonderful character and nature would be damaged if this proposal is to be approved. I wish to strongly object to this.
