Comments

Type of comment: Object to the proposal

Comment: I strongly object to the avaricious building plans proposed herewith : this land was originally designated for the use and enjoyment of residents of the estate, the new dwellings will be completely out of keeping architecturally with the estate , a precious wildlife habitat and attractive mature protected trees will be destroyed. I believe these plans directly oppose the council's own environmental conservation policies also. This proposal constitutes an act of environmental vandalism and has to be stopped .
