**Comment:** I am fully supportive of the application and of the development of Kneller Hall as a day school. This is a super exciting project and will give a great boost to the area, its residences and its local businesses. This iconic building is best put to use developing a new generation and giving our children and the locals a fresh and exciting plan to look forward to. I would strongly encourage and expect the council to act promptly and give the required permissions without delays. We and our children are hopeful for the great and speedy support of the council to proceed with this excellent project.
