Comment: Please see the petition signed by over 550 local residents and parents of children wishing to attend Kneller Hall school on the proposed site. We urge the council to remember that the plans are for a school so therefore time sensitive. Every week that goes by is effectively eating into a school "term" where the children are not getting to use the facilities and having to travel by bus to sports facilities elsewhere. Please grant permission for use as a school and iron out the small items outstanding as conditions or after the permission is granted. The applicant is clearly showing willing to meet the ever increasing demands of the council, but the children are who will suffer in the end as the opening is delayed and delayed while paperwork is being pushed back and forth. Please grant permission ASAP. Thank you (petition link below)
