Type of comment: Support the proposal

Comment: I write on behalf of the Mortlake Brewery Community Group in support of this application. We have previously confirmed our support to use of the site for film production operations both internally and in the external areas of the Stag site. Until such time as there may be any valid consent for any master plan for mixed use of the site we support continued use for film production activities. We would ask that conditions attached to the previous temporary consents are carried over to this new application.
