Stag Brewery

On behalf of our client, Reselton Properties Ltd, it is confirmed that our document titled "Foul Sewage and Utilities Assessment" dated March 2022 remains applicable to the series of amendments that are now being made in respect of the pending planning application Ref: 22/0900/OUT ('Application A') at the former Stag Brewery ('the site'). For the avoidance of doubt, no physical changes are proposed to a linked application Ref: 22/0902/FUL ('Application B').

Yours faithfully
