Comments

Type of comment: Object to the proposal

Comment: Objecting to; the ugly high rise proposed and immense volume of buildings proposed that is not in keeping with this part of 'leafy' London. The traffic and congestion/pollution that will arise from potential gridlocks between Hammersmith Bridge and the South West railway line. The destruction of trees and green areas currently benefitting locals. The addition of a secondary school which is not required locally. This has been proven by extensive research. The list goes on...The developers need to rethink their plans before they destroy this wonderful riverside.
