### Comments

**Type of comment:** Support the proposal

**Comment:** I wholly support the use of the site as film studios. It is an imaginative and productive use of this former industrial site, with little adverse impact on the existing services and transport infrastructure, which is often stretched, while providing employment.

It would be inspirational to include this as a permanent element within the redevelopment of the Brewery complex, bringing low impact but much-needed and lasting vitality to the neighbourhood. The developers and Council would gain great credit for such a move.
