Type of comment: Object to the proposal

Comment: The scheme is still a plan for overdevelopment and very dense accommodation which the local infrastructure cannot sustain. The local infrastructure is already overburdened, with congestion across the entire Sheen and Mortlake area multiple times a day. This consultation ignores repeated comments and objections to this effect.

There is no need for a secondary school - it would decimate the existing secondary schools which have worked hard to thrive with local children.

The heights of the buildings are STILL too high - and above what Richmond Council expect.
