Comment: As a family we wholeheartedly support the application which will both regenerate a beautiful local landmark but also create local jobs and provide facilities and amenities which the wider local public can benefit from. Our child attends the school in its current location and this move would mean that they could walk to school thus eliminating a 10-minute car journey from Whitton and also benefitting our child's health.

This historic site will be brought back to life and we are very excited at the prospect of attending a school that will be very local to us.
