Comment: Further to my previous objection, I have now noted that Crofton Terrace is to be used as a secondary loading area for larger vehicles, this area is not large enough for a large vehicle and any other 4 wheel vehicle to pass, this will cause a nuisance to us neighbours who have parking to the rear of our homes when leaving, and will be a hazard when returning forming queue's backing up the A316 when lorry's are unloading. You have you stated is unacceptable for their delivery vehicles, but we cannot be diverted when we wish to return.
