### Comments

**Type of comment:** Object to the proposal

**Comment:** As highlighted by many others, the amount of disruption for residents this proposal will cause has not been appropriately addressed. This proposal will require vast amounts of HGV activity and as highlighted by the council in a recent traffic study, the school area and the turnings off it into cross deep gardens, and into roads such as radnor road and Tennyson avenue already have rat run issues with damage to be vehicles and risks to local residents due to excessive use and HGVs. The council has highlighted this as an issue, the proposal will worsen this issue.
