Comment: My objection relates to the parking stress the development both the residential and office element will put on Plevna Ave, Varna Rd, Avenue Rd and Belgrade Rd . Furthermore the survey taken in May 2019 is way out of date and does not reflect the current situation. Plevna Rd, Avenue Rd and Varna Rd have now been subject to Double Yellow Line restrictions reducing parking. Should the development be approved it must include restrictions on any user of the development parking in the above roads. We already suffer daily parking from the Morland & Riverside building
