### Comments

**Type of comment:** Object to the proposal

**Comment:** My objections to the proposed secondary school remain and have been reiterated to the council at every planning application resubmission. Another school is not necessary in this area and will undermine the local secondary schools: Richmond Park Academy and Christs School. Further evidence of falling birth rates and London schools shutting due to being undersubscribed is once again in the news. <https://www.bbc.co.uk/news/uk-england-london-68144986>

By going ahead with this proposed school, the council are accepting that they have no understanding of the secondary school ecosystem in the borough.
