Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposed building works are to convert an existing loft space into a bedroom and en-suite bathroom. This requires a hip to gable extension to the rear and 2no. dormer windows.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes
 No

Has the proposal been started?

- Yes
 No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The building has always been used as a dwelling and is over 100 years old.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

Permanent

Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The current use of the building/site will remain residential.

The proposed dimensions/placement of the loft conversion are in accordance with the Class B requirements for enlargement of a dwelling house consisting of an addition or alteration to it's roof.

The house is not located on designated land.

The additional roof space does not exceed 40 cubic meters ($12.8 + 12.8 + 5 = 30.6\text{m}^3$).

The roof has not previously been extended in any way.

There are no extensions beyond the plane of the existing roof on the principal elevation.

All materials are to match those of the existing house.

No part of the extension is higher than the highest part of the existing roof.

Side windows are obscured glazing and non-opening below 1.7m high.

New dormers are set back between 60cm and 20cm along the roof plane from the original eaves.
