### Comments

**Type of comment:** Make a general observation

**Comment:** I reside at 39A Vicarage Road and my primary concern pertains to difficulties accessing and exiting my driveway during ongoing construction work. Presently, the size of my dropped curb is inadequate, necessitating frequent driving over the curb. Additionally, the presence of vehicles parked along the yellow line between 39A and 39 Vicarage Road exacerbates the challenge, posing safety risks due to reduced visibility. Moreover, my property is subject to restrictions, barring me from obtaining a resident permit, which I find inequitable. Should the planning application be approved, it is imperative that it does not disrupt the routine activities of my family and me, as such interference would be deemed unacceptable.
