YOUR COMMENTS ON THE CASE

Aside from the scale of this project, my objections are. The loss of a community playing field used by generations. The second from this site having lost an international bowls green. There is no need for another secondary secondary school given spaces in present schools despite pupils from outside the borough. Furthermore, a new secondary school is opening in Queen's Road in the former American school. The inclusion of a cinema when Richmond has four underused and this week's report shows a decline in cinema numbers. What is lacking is activity. We are still owed an ice rink. That would be more suitable. The large increase in Mortlake's population with no improvement in infrastructure. The open spaces shown are mainly walk throughs. No large play area. The overall construction is imposing and will dominate the area with no benefit to residents or LBRuT.
