Address: 20 Marston Road Teddington TW11 9JU

Comments

Type of comment: Support the proposal

Comment: This area has been in use as sports facilities at least since we moved here in 1970 and the changes being made are superficial - allowing better use for all ages and abilities. It is important that a social club such as Lensbury be allowed to maximise the area to encourage children and those with additional needs access to outdoor activities. Fully support the application
