Comments

Type of comment: Object to the proposal

Comment: This industrial unit does not belong in a residential area that already has heavy road congestion. The Waitrose store, 2 primary schools, and the railway level crossing all contribute to excessive traffic with very limited parking. A large storage unit will generate more traffic and operational noise that will disturb residents for long periods of the day (and night). This site is unsuitable for this kind an size of industrial unit, it belongs in a purpose built industrial site, not oldfield road.
