Type of comment: Object to the proposal

Comment: I object strongly to this proposal in a road which is pre-dominantly residential .

Parking in this road is already at a premium with mini's, Waitrose shoppers and commuters taking large areas of the available parking . To add further traffic to this is not acceptable

There is insufficient parking onsite for staff / customers which will cause further problems

Pedestrian traffic to and from the schools will also become more hazardous

The size of development is not in keeping with the present building

The proposed hours of opening are also not acceptable. Traffic noise until 11.00 pm is definitely not acceptable

This development should certainly not go ahead here but in the Business Parks at the end of Oldfield Road
