Comment: Very skeptical of the traffic survey and would request that this is reviewed. Waitrose, the London Mini Garage and the redevelopment of the old garage and Picos site has added more traffic and parking pressure for residents that LBRUT have done nothing to control. The junction of Oldfield Road and Percy Road is an accident waiting to happen with young children and parents trying to navigate their way to St. Marys, Hampton Juniors, Hampton Infants, and the train and buses for other local schools. There is no pedestrian crossing and LBRUT would be well advised to think twice about this proposed development and the already dangerous impact of yet more vehicle movements.
