### Application Details

**Address:** 97 High Street Teddington TW11 8HG

**Proposal:** Installation of a new shopfront

### Comments Made By

**Name:** Mr. Paul Giesler

### Comments

**Type of comment:** Object to the proposal

**Comment:** The work completed so far does not seem to support the drawings submitted as part of the planning application. It also seems that the work was started prior to planning application being submitted, which is always a little concerning.

I have photos but your form does not seem to include the option to attach images.
