Type of comment: Object to the proposal

Comment: I am writing you in relation to application 24/0865/FUL (74 Oldfield Road Hampton).

On behalf of the members of the Hampton Society, we would like to object to the proposal in the following grounds:

- lack of parking and traffic: the area is already suffering from lack of adequate parking provisions and heavy traffic. The proximity to Little Waitrose (which has also limited parking provision) would make the problem worse;
- proximity to schools: both St Mary's primary school and a private nursery are located on this road which has a predominant residential character. Inevitably the schools bring further traffic to this already congested road;
- size and scale: the size and volume of the proposed development seems excessive considering the predominantly residential nature of this road.

I would appreciate if you could please register our objection for the reasons highlighted above.

Kind Regards,

Alayne Öztürk

Secretary, the Hampton Society
