Letter Printed 29 May 2024

**FOR DECISION DATED**  
29 May 2024

Dear Sir/Madam

**The Town and Country Planning Act 1990, (as amended)**  
**Decision Notice**  
**THIS APPLICATION IS SUBJECT TO A LEGAL AGREEMENT**

**Application:** 24/0810/VRC  
**Your ref:** The Former Royal Oak, Ham Str...  
**Our ref:** DC/KNP/24/0810/VRC/VRC  
**Applicant:** Mr Tom Gordon  
**Agent:** JSA Architects Ltd Frances Pullan

**WHEREAS** in accordance with the provisions of the Town and Country Planning Act 1990 and the orders made thereunder, you have made an application received on **28 March 2024** and illustrated by plans for the permission of the Local Planning Authority to vary condition(s) of the Planning Permission for land situated at:

**Royal Oak Ham Street Ham Richmond**

for

**Variation of condition U0135833 Approved Drawings and Documents of planning approval 21/2441/FUL to allow to Amend Ground floor windows on Ham Street elevation to 3 sash windows; Amend door on Sandy Lane; Increase height of Parapet Wall and finished with Coping Stone on Sandy Lane Elevation.**

NOW THEREFORE WE THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF RICHMOND UPON THAMES acting by the Council of the said Borough, the Local Planning Authority HEREBY GIVE YOU NOTICE pursuant to the said Act and the Orders made thereunder that permission to develop the said land in accordance with the said application is hereby **GRANTED** subject to the conditions and informatives summarised and listed on the attached schedule.

Yours faithfully

A handwritten signature in black ink, appearing to read 'R. Angus', with a long horizontal flourish extending to the right.

Robert Angus  
Head of Development Management

## DETAILED CONDITIONS

---

### **U0182262      Development Timing**

The development to which this permission relates must be begun not later than the expiration of three years from the date of the original planning permission ref: 21/2441/FUL.

REASON: To conform with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

### **U0182263      Approved Drawings and Documents**

The development hereby permitted shall be carried out in accordance with the following approved plans and documents, where applicable:

PL100 and PL101 received 6th July 2021 and PL200 REV B, PL201 REV B, PL202 REV B, received 6th Jan 2022 under application 21/2441/FUL.  
PL455B; PL456A; PL457A; and PL451C received 28th March 2024.

REASON: To accord with the terms of the application, for the avoidance of doubt and in the interests of proper planning.

### **U0182264      Construction Management**

The development hereby approved shall not be constructed, other than in accordance with the construction management plan approved within application ref 21/2441/DD01.

REASON: In the interests of highway and pedestrian safety together with the amenity of the area and in order to ensure the development would not have an unacceptable impact on the operation of the public highway and neighbours.

### **BD12 Details - Materials to be approved**

The external surfaces of the building(s) (including fenestration) and, where applicable, all areas of hard surfacing shall not be constructed other than in materials details/samples of which shall be submitted to and approved in writing by the Local Planning Authority.

REASON: To ensure that the proposed development does not prejudice the appearance of the locality.

### **U0182265      NS01 Specified details required**

The works shall not be carried out otherwise than in accordance with detailed drawings and samples including plans, elevations, and sections as applicable; such drawings to be submitted to and approved by the Local Planning Authority in writing to show:

- Larger scale detail of fenestration to the northern flank elevation, including cross sectional details.

- Larger scale detail of new fenestration to the front western elevation, including cross sectional details.

The development shall not be implemented other than in accordance with the approved details.

REASON: To protect the integrity of the building.

### **U0182266      NS02 Refuse arrangements**

No residential dwelling/part of the residential development shall be occupied until refuse facilities have been provided in accordance with details approved under application 21/2441/DD01.

REASON: To safeguard the appearance of the property and the amenities of the area

### **DV30 Refuse storage**

No refuse or waste material of any description shall be left or stored anywhere on the site other than within a building or refuse enclosure.

REASON: To safeguard the appearance of the property and the amenities of the area.

**U0182267 NS03 Cycle parking**

No building/dwelling/part of the development shall be occupied until cycle parking facilities have been provided in accordance with details approved under application ref: 21/2441/DD01.

REASON: To accord with this Council's policy to discourage the use of the car wherever possible.

**U0182268 NS04 Hard and Soft Landscaping**

(A) Before constructing any new hard or soft landscape as described in the application the full details of both hard and soft landscaping works shall be submitted to and approved in writing by the local planning authority. These details shall include proposed finished levels or contours; means of enclosure; car parking layouts; other vehicle and pedestrian access and circulation areas; hard surfacing materials; minor artifacts and structures (e.g. furniture, play equipment, refuse or other storage units, signs, lighting etc.); proposed and existing utility services above and below ground (e.g. drainage, power, communications cables, pipelines etc, indicating lines, manholes, supports etc); a program or timetable of the proposed works.

(B) Soft landscape works shall include planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); detailing the quantity, density, size, species, position and the proposed time or programme of planting of all shrubs, hedges, grasses etc, together with an indication of how they integrate with the proposal in the long term with regard to their mature size and anticipated routine maintenance. All tree, shrub and hedge planting included within that specification shall be carried out in accordance with BS3936:1986 (parts 1, 1992, Nursery Stock, Specification for trees and shrubs, and 4, 1984, Specification for forest trees); BS 4043: 1989, Transplanting root-balled trees; and BS 4428:1989, Code of practice for general landscape operations (excluding hard surfaces).

(C) All hard and soft landscape works shall be carried out in accordance with the approved details and in any event prior to the occupation of any part of the development unless otherwise in accordance with a timetable agreed in writing with the local planning authority.

REASON: To ensure that the proposed development does not prejudice the appearance of the locality and to preserve and enhance nature conservation interests.

**U0182269 NS05 Submitted Arboricultural Details**

A. The development hereby approved shall not be implemented other than in accordance with the principles and methodology as described within the approved Arboricultural Method Statement CCL ref no 10849 rev 1 dated 29.06.2021 unless otherwise previously agreed in writing with the local planning authority.

REASON: To ensure that the tree(s) are not damaged or otherwise adversely affected by demolition, building operations, excavations and soil compaction.

**DV51A Water Consumption**

The dwelling(s) hereby approved shall not be occupied other than in accordance with the water consumption targets of 105 litres or less per person per day, and 5 litres or less per head per day for external water use.

Reason: In the interests of water efficiency in accordance with the Councils sustainability policies.

**U0182270 BREEAM Domestic Refurbishment -Conv'~**

The dwelling(s) hereby approved shall achieve BREEAM Domestic Refurbishment Rating Excellent in accordance with the terms of the application & the requirements of the BREEAM Guide (or such national measure of sustainability for house design that replaces that scheme).

REASON: In the interests of promoting sustainable forms of developments and to meet the terms of the application

**U0182271 NS06 Fire Safety**

The development shall be carried out in accordance with the provisions of the Fire Safety Statement received 27.05.2022 unless otherwise approved in writing by the Local Planning Authority.

REASON: To ensure that the development incorporates the necessary fire safety measures in accordance with the Mayor's London Plan Policy D12.

**U0182272 NS07 NRMM**

During onsite construction of any phase of development, all non-road transportable industrial equipment or vehicles which are fitted with an internal diesel powered compression ignition engine between 37 and 560KW and not intended for transporting goods or passengers on roads are required to meet Stage IIIB of EU Directive 97/68/E and be NRMM registered. Such vehicles must be run on ultra low sulphur diesel (also known as ULSD 'cleaner diesel' or 'green diesel').

"Ultra low sulphur diesel" means fuel meeting the specification within BS EN 590. Where these standards are succeeded, they should be applied when reasonable. Exemptions to these standards may be granted for specialist equipment or for equipment with alternative emission reduction equipment or run on alternative fuels. Such exemptions shall be applied for in writing to the local planning authority in advance of the use of such vehicles, detailing the reasons for the exemption being sought and clearly identifying the subject vehicles. Exemptions that are granted will be in writing and such vehicles must not be used until written exemption has been issued by the local planning authority

No vehicles or plant to which the above emission standards apply shall be on site, at any time, whether in use or not, unless it complies with the above standards, without the prior written consent of the local planning authority.

REASON: To protect the amenity of future occupants and/or neighbours

**GD02A Restriction-Alterations/extn**

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking or re-enacting that Order) no external alterations or extensions shall be carried out to the building(s) hereby approved.

REASON: To safeguard the amenities of the occupiers of adjoining property and the area generally.

---

**DETAILED INFORMATIVES**

---

**BNG02 Biodiversity Gain Plan No Pre-Approval**

Approval of a Biodiversity Gain Plan will not be required before development commences

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to

have been granted subject to the condition ('biodiversity gain condition') that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan, if one is required in respect of this permission would be the London Borough of Richmond upon Thames.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These are listed below.

Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements in the list below is/are considered to apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition.

1. The application for planning permission was made before 12 February 2024.
2. The planning permission relates to development to which section 73A of the Town and Country Planning Act 1990 (planning permission for development already carried out) applies.
3. The planning permission was granted on an application made under section 73 of the Town and Country Planning Act 1990 and
  - (i) the original planning permission to which the section 73 planning permission relates\* was granted before 12 February 2024; or
  - (ii) the application for the original planning permission\* to which the section 73 planning permission relates was made before 12 February 2024.
4. The permission which has been granted is for development which is exempt being:
  - 4.1 Development which is not 'major development' (within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015) where:
    - (i) the application for planning permission was made before 2 April 2024;
    - (ii) planning permission is granted which has effect before 2 April 2024; or
    - (iii) planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 where the original permission to which the section 73 permission relates\* was exempt by virtue of (i) or (ii).
  - 4.2 Development below the de minimis threshold, meaning development which:
    - (i) does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and
    - (ii) impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (as defined in the statutory metric).
  - 4.3 Development which is subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015. A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
  - 4.4 Development of a biodiversity gain site, meaning development which is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the Biodiversity Gain Planning condition which applies in relation to another development, (no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee).
  - 4.5 Self and Custom Build Development, meaning development which:
    - (i) consists of no more than 9 dwellings;
    - (ii) is carried out on a site which has an area no larger than 0.5 hectares; and
    - (iii) consists exclusively of dwellings which are self-build or custom housebuilding (as defined in section 1(A1) of the Self-build and Custom Housebuilding Act 2015).

4.6 Development forming part of, or ancillary to, the high speed railway transport network (High Speed 2) comprising connections between all or any of the places or parts of the transport network specified in section 1(2) of the High Speed Rail (Preparation) Act 2013.

\* 'original planning permission means the permission to which the section 73 planning permission relates' means a planning permission which is the first in a sequence of two or more planning permissions, where the second and any subsequent planning permissions are section 73 planning permissions.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ('the earlier Biodiversity Gain Plan') there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- (i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- (ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

#### **U0092054 NPPF Approval**

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The application was acceptable as submitted, and approved without delay.

#### **U0092057 Compliance with Conditions**

The applicant is advised that approval has not yet been received for details relating to the following conditions:

BD12 Details - Materials to be approved

NS01 Specified details required

NS04 Hard and Soft Landscaping

#### **IL24 CIL liable**

The applicant is advised that this permission results in a chargeable scheme under the Borough's and the Mayor of London's Community Infrastructure Levy.

#### **IL13 Section 106 agreement**

This planning permission has a Section 106 Agreement which must be read in conjunction with it.

#### **U0092055 Composite Informative**

##### **Reason for granting:**

The proposal has been considered in the light of the Development Plan, comments from statutory consultees and third parties (where relevant) and compliance with Supplementary Planning Guidance as appropriate. It has been concluded that there is not a demonstrable harm to interests of acknowledged importance caused by the development that justifies withholding planning permission.

##### **Principal Policies:**

Where relevant, the following have been taken into account in the consideration of this proposal:-

National Planning Policy Framework (NPPF 2019)

London Plan (2016)

London Plan (Publication London Plan 2020)

Local Plan (2018):

LP 1 - Local Character and Design Quality

LP 2 - Building Heights

LP 3 - Heritage Assets

LP 8 - Amenity and Living Conditions

LP 15 - Biodiversity

LP 16 - Trees, Woodlands and Landscape

LP 20 - Climate Change Adaptation

LP 21 - Flood Risk and Sustainable Drainage

LP 22 - Sustainable Design and Construction

LP 24 - Waste Management

LP 34 - New Housing

LP 35 - Housing Mix and Standards

LP 36 - Affordable Housing

LP 39 - Infill, Backland and Backgarden Development

LP 44 - Sustainable Travel Choices

LP 45 - Parking Standards and Servicing

Ham & Petersham Neighbourhood Plan

Supplementary Planning Guidance:

Design Quality SPD

Affordable Housing SPD

Planning Obligation Strategy SPD

Small and Medium Housing Sites SPD

Residential Development Standards SPD (Incorporating Nationally Described Space Standards)

Refuse and Recycling Storage Requirements SPD (2015)

Transport SPD (2020)

Sustainable Construction Checklist (2016)

**Building Regulations:**

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be made. For application forms and advice please contact the Building Control department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411). If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Management department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

**Damage to the public highway:**

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and (or) construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

BEFORE ANY WORK COMMENCES you MUST contact the London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ, Telephone 020 8891 1411 to arrange a pre-commencement photographic survey of the public highways adjacent to and within the vicinity of the site. The precondition survey will ensure you are not charged for any damage which existed prior to commencement of your works.

If you fail to contact us to arrange a pre commencement survey then it will be assumed that any damage to the highway was caused by your activities and you will be charged the full cost of repair.

Once the site works are completed you need to contact us again to arrange for a post construction inspection to be carried out. If there is no further damage then the case will be closed. If damage or further damage is found to have occurred then you will be asked to pay for repairs to be carried out.

**Noise control - Building sites:**

The attention of the applicant is drawn to the requirements of Section 60 of the Control of Pollution Act 1974 in respect of the minimisation of noise and vibration on construction and demolition sites. Application, under section 61 of the Act for prior consent to the works, can be made to the Environmental Health department.

Under the Act the Council has certain powers to control noise from construction sites. Typically the council will limit the times during which sites are permitted to make noise that their neighbours can hear.

For general construction works the Council usually imposes (when necessary) the following limits on noisy works:-

Monday to Friday 8am to 6pm

Saturdays 8am to 1pm

Sundays and Public Holidays - No noisy activities allowed

Applicants should also be aware of the guidance contained in British Standard BS 5228-1:2009+A1:2014 - Noise and vibration control on construction and open sites.

Any enquiries for further information should be made to the Noise & Nuisance Team, Regulatory Services Partnership [NoiseandNuisance@merton.gov.uk](mailto:NoiseandNuisance@merton.gov.uk).

END OF SCHEDULE OF CONDITIONS AND INFORMATIVES FOR APPLICATION  
24/0810/VRC

---

# **VRC Applications**

## **Making an Appeal – Summary Guidance**

### **Whether to appeal**

If the Local Planning Authority (LPA) turn down your application, you should look carefully at the reasons why they turned it down before you make an appeal. You should speak to the LPA to see if you can sort out the problem - perhaps by changing your proposal. An appeal should only ever be a last resort.

### **Type of appeal:**

Planning Application

### **Appeal time:**

Within six months of the date of the council's decision letter.

### **Who can appeal?**

The applicant or their agent may lodge an appeal.

### **The right of appeal:**

You can appeal against the council's decision:

- If you applied to the Local Planning Authority and they:
  - Refused permission;
  - Gave permission but with conditions you think are inappropriate;
  - Haven't approved the details of a scheme which they or the Secretary of State have already given outline planning permission for or;
  - Have approved the details of a scheme but with conditions you think are inappropriate or unreasonable.
  
- If the LPA rejected a proposal arising from a condition or limitation on a planning permission.
- If the LPA don't decide your application within the time allowed. Normally the time allowed is eight weeks from when they accept your application.
- If the LPA told you they needed more information before they could decide your outline planning application, but you do not want to supply this.

You will make your appeal to the Department for Communities and Local Government of which the Planning Inspectorate is a part. Most are decided by specialist officers in the Planning Inspectorate. Only the person or business applying for consent to display an advertisement may appeal. If the council issues a discontinuance notice, only those on whom the notice is served may appeal.

### **The appeal process:**

Appeals must be made

- Online at [www.planninginspectorate.gov.uk](http://www.planninginspectorate.gov.uk), or
- Initial Appeals, The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

It will be expected that all appeal documentation will be submitted electronically.

The process is fully documented on the website of the Planning Inspectorate [www.planninginspectorate.gov.uk](http://www.planninginspectorate.gov.uk), however in summary there are three main types of appeal:

#### **Written procedure:**

Written evidence is considered from the applicant/agent/business and the council. The council will send copies of any letters of objection or support they received when considering your application. Within six weeks of the Inspectorate receiving your appeal forms the council will send a copy of their statement to the Inspectorate. You must make any comment on these within three weeks.

#### **Hearing procedure:**

Hearings allow you and the council to exchange views and discuss your appeal. Before the hearing the council will send a copy of their statement to you and the Inspectorate. You can comment on their statement in writing otherwise the Inspectorate will treat the reasons given in your appeal form as the basis of your case for discussion.

Hearings are usually held in council offices. The Inspector leads the discussion and invites the people involved to put their points across. The Inspector will visit the site unaccompanied before the hearing and will make a further accompanied visit as part of the hearing.

**Inquiry procedure:**

Inquiries are normally for large-scale applications. A public inquiry is a formal procedure in which both parties have legal representation.

**Making your views known on someone else's appeal:**

The LPA will notify anyone who took part in the consultations when you first applied for permission that you are appealing. For appeals decided by hearing or inquiry the LPA will tell interested people when and where this will be and let them know that they can attend. The Inspectorate will also take account of the views of certain groups who have a right to comment, for example, owners of a site, local amenity groups and so on.

**Costs:**

Normally you and the council will pay for your own expenses in an appeal. You can only claim costs when you can show that the council have behaved in an unreasonable way causing unnecessary expense.

**Who to contact?**
