DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0182361 Reason for refusal - Design

The proposed extension, by virtue of its corner siting, scale and design, including excessive width, length and height, and excessively high boundary wall, would result in an overly dominant and visually incongruous form of development, out of keeping with the local character and to the detriment of the design and appearance of the host building and street scene. As such the proposal fails to comply with, in particular, policy LP1 of the Local Plan (2018), Supplementary Planning Document: 'House Extensions and External Alterations' and 'Hampton Hill Planning Guidance'.

For the avoidance of doubt the Drawing(s) No(s) to which this decision refers are as follows:-

SP01; PL01; PL101; EL101; and Application Form received 29 March 2023.

U0092066 NPPF REFUSAL- Para. 38-42

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. More information on the pre-application service and relevant fees can be found online at www.richmond.gov.uk/pre-application_for_developers.

The appeals process

Appeals must be made

It will be expected that all appeal documentation will be submitted electronically.

The Planning Inspectorate (on behalf of the Secretary of State) will determine the appeal procedure to be followed. The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.

Your householder appeal will be decided by a Planning Inspector. He/she will consider all the application documents and grounds of appeal and also make an unaccompanied visit to the appeal site. You may be required to provide access to the site for the Inspector.
