What was the original application type?

Householder planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

Householder development: Development to an existing dwelling-house or development within its curtilage

Other: Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Removal of Chimney Stack at roof as shown in drawings.

Please state why you wish to make this amendment

The external chimney stack is in a very poor condition and following inspection by the structural engineer it has been advised that the chimney stack be removed rather than repair to the point of taking it down and re-building it. Furthermore, with the chimney breast below now removed, it would be much safer to simply remove it rather than support it with a steel structure

- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
