## Non-material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

We would like to amend the wording of condition DV49 (Construction Management Statement). Proposed wording as follows:

'Prior to the commencement of each development phase(s), no development shall take place including any works of demolition, until a Construction Management Statement (to include any demolition works) has been submitted to and approved in writing by the Local Planning Authority for that phase(s). The approved plan shall be adhered to throughout the relevant construction phase(s). The Statement shall provide for....'

Please state why you wish to make this amendment

Since permission was granted and the conditions were agreed, it has become clear that the construction of the proposed development will need to be undertaken in phases. The first phase will begin in summer 2024, with other phases following at a later date. Therefore, there is the need to re-word this condition to allow for a phased discharge.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
