# Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right

Would the proposed change of use result in the building containing more than two flats?

() Yes

⊘No

Would a part of the building continue to be:

- · In a commercial/business/service use; and/or
- Used as a betting office and/or a pay day loan shop

⊘ Yes

ONo

Would the proposed flat(s) only be situated on floor(s) above a floor where at least some of the other proposed mixed uses are to be provided?

⊘ Yes

⊖ No

If the building has a ground floor display window, would any of that ground floor be used as a flat?

⊖ Yes

⊘ No / The building does not have a ground floor display window

Will all the proposed flats have gross internal floor areas of at least 37 square metres, and comply with the nationally described space standard?

⊘ Yes

ONo

Following the change of use, will each flat only be used as a dwelling:

· By a single person or by people living together as a family; or

• By not more than 6 residents living together as a single household (including a household where care is provided for residents)

⊘ Yes

ONo

# **Description of Proposed Works, Impacts and Risks**

### **Proposed works**

Please describe the proposed development including details of the flat(s) and other works proposed

Please see Covering Letter: Supporting Planning Information.

The change of use of the building from a use within Class E (commercial, business and service) of Schedule 2 to the Use Classes Order, to a mixed use for any purpose within that Class and as up to 2 flats. This would principally comprise the conversion of the first-floor ancillary office space (Use Class E) and use as a single-family dwelling (C3).

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Please see Covering Letter: Supporting Planning Information.

Existing windows will serve the proposed bedroom and living room.

What will be the net increase in dwellinghouses?

1

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Please provide details of any arrangements required for the storage and management of domestic waste

Please see Covering Letter: Supporting Planning Information.

Internal and external (existing) storage proposed

#### Impacts and risks

Please provide details of any contamination risks and how these will be mitigated

Please see Covering Letter: Supporting Planning Information.

No risk envisaged being on the first floor.

Please provide details of any flooding risks and how these will be mitigated.

Please see Covering Letter: Supporting Planning Information.

The site is not in an area at risk of flooding and the proposed flat is on the first floor.

A flood risk assessment should accompany the application where the site:

• is in Flood Zones 2 or 3; or

• is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

Please see Covering Letter: Supporting Planning Information.

No adverse risk of noise is envisaged.
