Comment: I write on behalf of the Teddington Society Planning Group (TSPG) with reference to the planning application 24/1202/FUL - 97 High St Teddington.

The Heritage Statement shown on your site for this application has a Richmond Council header which implies it was written by a council planning officer. This is clearly not correct and makes the content of the document highly misleading. The TSPG wishes to strongly object to this and asks that it is immediately removed from the site.
