

Comment on a planning application

Application Details

Application: 24/1639/HOT

Address: 8 Montpelier Row Twickenham TW1 2NQ

Proposal: Proposed replacement of existing roof, repairs to the existing roof structure, repointing and repairs to the existing roof parapet, roof dormer and chimney.

Comments Made By

Name: Mr. Graham Charkham

Address: 19 Montpelier Row Twickenham TW1 2NQ

Comments

Type of comment: Support the proposal

Comment: It is imperative that prompt remedial action is taken so that further deterioration of this listed building is avoided. The Owners, by their delays and failure to maintain the property, have caused a continuing nuisance to the houses either side of No 8 and are causing a continuing blight on the appearance of Montpelier Row as a whole. This application represents an opportunity to stop the rot (literally) and I therefore strongly support any action LBRUT can take to expedite the necessary work without which this heritage building will dilapidate further, becoming a public health risk/danger.
